PROFESSIONAL DESIGN FIRM LAND SURVEYING CORPORATION License No. 184-004285
This professional service conforms to the current Illinois minimum standards for a Boundary Survey.
NOTE: Before building, compare all points and dimensions and immediately report any discrepancy. Measurements are given in feet and decimal parts thereof, except as otherwise noted. Easements and building setback lines are hereon shown per the recorded Plat of Subdivision. A title report was not provided for this professional service and there may be additional easements or building setbacks that a title report would disclose.
