Remarks: **Lindenhurst quad level with 4 bedrooms and 2 full bathrooms. The 4th bedroom can also serve as a private in-home office! The oak hardwood floors were refinished with a mirror shine! This home is set up well for entertaining. The great room has a vaulted ceiling and massive stone wood burning fireplace that can also burn gas logs! There are sliding doors out to a concrete patio and fenced rear yard. Stroll back inside and enjoy a beverage at the wet bar. One level down is the game room/family room along with laundry / mechanical room. Roof was recently replaced. The main level has open floor plan with dining room / living room combo. The kitchen has brushed stainless steel appliances and hardwood cabinets with views of the back yard. Upper level has 3 bedrooms and updated, tile bathroom with access from the hallway or bedroom. The attached 2 plus car garage has room to store bikes/kayaks. Large gate allows access to rear yard for more toys. Sidewalks lead to forest preserve trails and YMCA indoor pool! Lindenhurst Park District facilities are just a few driveways north where you can enjoy summer music in the park, indoor basketball and outdoor play areas. Sellers recently added laminate flooring and carpeting in great room/wet bar and optional office along with fresh paint. Can accommodate a quick sale possession. Show and go!**
